WEB DEVELOPMENT (CERTIFICATE)

Art, Design and Performing Arts

Program website (https://www.harpercollege.edu/academics/arts/web-development/web-development-certificate.php)

Program Overview

This 27 credit-hour certificate program provides a background in web development with emphasis on scripting and programming techniques. Individuals seeking entry-level positions in the field of web development and maintenance will find these skills helpful. This program will also be useful to individuals whose job scope has expanded to include web site responsibilities.
