

STUDENT DRESS CODE

There is no formal dress code at Harper College. However, shirts and shoes must be worn in the buildings. Any student whose attire is considered obscene may be subject to the Student Code of Conduct and may be asked to change their attire or leave the campus in the interim.

Per the State of Illinois legal definition, obscene shall be considered to be "any material, action, or performance of lewd and/or sexual acts in which a reasonable person finds the experience offensive. In addition, the materials, actions, or performance lack serious literary, artistic, political, or scientific value."
