

# AUDITING A COURSE

---

A student who would like to audit a course will be required to pay full tuition and fees and must obtain written approval from the instructor, department chair or dean prior to any enrollment in the course.

Registration for audit status may be completed only during the first week of the class and must be the original enrollment in the class. Changes from credit to audit or from audit to credit will not be permitted. The student will receive an **H** (audit) grade for the course. This grade does not count in cumulative hours or grade point average. Courses in which an audit (H) grade is received are not eligible for financial aid.
