

DUAL DEGREE PARTNERSHIPS

Harper College has Dual Degree Partnerships with the University of Illinois at Urbana-Champaign College of Engineering, DePaul University, Roosevelt University, and Governors State University. These unique transfer partnerships provide students with benefits such as guaranteed admission upon completion of the associate's degree, joint advising, scholarships and/or tuition discounts, and locked in 4-year institution degree requirements and tuition from the time the student enters the program at Harper (typically by their second semester). Data is shared between institutions to track student participation and progress.
